October Update

Well done to all the children for making such a great start to the new school year. The new Reception children are settling in brilliantly and the older children have been working really hard at being good role models for them so well done to everyone!
We will be sending out monthly reminders about upcoming events and dates moving forwards to keep everyone in the loop and also share achievements from across the school.

Horstead Residential Trip

Year 4 and 5 had a fabulous time at The Horstead Centre last month! They took part in a range of activities including canoeing, rock climbing and zip wire and archery. All the children really challenged themselves and enjoyed trying new things. They represented our school so well and we are really proud of all of them. A big thank you to the children for being so brilliant and to the school staff who took the group away.

Whole School Pantomime

We are very excited to let you know that our wonderful FOSPS are funding a performance of Dick Whittington by a travelling company on the morning of Thursday 19th December for the whole school to enjoy. Thank you so much to the FOSPS!

Reminders:

Please ensure that you send your child in with a coat everyday as we move into Autumn. We strive to have our playtimes outside as much as possible and so a rain-coat in case of light drizzle is needed.

Please can I remind you about not parking on the yellow lines outside the front of school when dropping off or collecting your child. Queen Street is a very busy road and parking on these lines only adds to the congestion, increasing the risk to members of our school community and the wider village. Could I also please remind you about being courteous to our neighbours when parking. I would encourage you, where possible, to park further away from the school and walk to help ease the congestion further.

Mrs Hannah Hunt, Head of School, Stradbroke Primary School
